

Features

- * 1-way SDI input and 1-way SDI loop output port.
- * Resolution support: 1080p, 1080i, 720p.
- * Maximum resolution can reach 1080p, can be transmitted to 100 meters.
- * Compatible with 3G-SDI, HD-SDI, SDI.

Specifications

Model	TS-9201SR
Input	1-way SDI signal, output: 1-way SDI loop output signal
Input Connector	BNC female connector, output connector: BNC female connector
Signal Type	3G-SDI, HD-SDI, SDI
Highest Resolution	1080P
Working Distance	1080P ≤ 100 meters
Operating Temperature	0°C ~ + 50°C
Relative Humidity	10% to 90%
Consumption	6.1W
